

# Seabadge

**November 19-21, 2010**

**Camp Strake Conference Center, Conroe, TX**

**Sponsor: Sam Houston Area Council**

## SEABADGE PARTICIPANT REQUIREMENTS

Seabadge is an advanced leadership training program designed for experienced Sea Scout adult leaders. Candidates must meet the following minimum standard requirements prior to consideration for participation in a Seabadge course:

1. Must be currently registered as a Sea Scout adult leader or BSA professional or commissioner staff working with Sea Scout ships.
2. If a Sea Scout adult leader, must be actively involved in the Sea Scout program at least one continuous year prior to application.
3. Complete Youth Protection Training and Sea Scout Adult Leader Basic Training (or its equivalent).
4. Obtain Scout executive (or designee) approval from their council.

## COURSE OVERVIEW

Seabadge is intense leadership and management training focused on the “how-to” aspects of successful Sea Scout program management. Seabadge does not cover topics like boating, knots, or other program-related materials found in the Sea Scout Manual. If you are interested in the “how to manage youth who run the boat course” you must attend Seabadge Underway.

Course participants and staff function as a model ship to help participants understand how a ship should function. The curriculum includes twenty-three sessions, with established objectives, that are presented in a motivating and informative forum.

## PURPOSE

*To provide Sea Scout adult leaders with an opportunity to learn and improve leadership, managerial, and motivational skills and to develop peer relationships necessary to build and improve successful Sea Scout programs in their areas of influence.*
